

TURNER COLLEGE OF BUSINESS

COLUMBUS STATE UNIVERSITY

The Turner College of Business offers an online Master of Business Administration (MBA) degree through The Georgia WebMBA™, a consortium of universities within the University System of Georgia. Known for its AACSB International accreditation, affordability, and commitment to student service, The Georgia WebMBA™ is among the top-ranked online MBA programs. Students in this accelerated MBA program learn in an applied environment, focusing on knowledge and skills in real business settings through team-based learning. Only full-time graduate faculty qualified through rigorous school review for accrediting agencies teach our courses. All coursework is done online. Students rely on team learning while taking two courses each semester in the 30 credit hour, five-semester program. A single 2-day orientation held in Atlanta focuses on team building and interaction with our faculty, administrators, and graduates. Our Foundation Modules allow applicants to satisfy the prerequisite core through computer-based, self-paced modules.

Please refer to <http://Bursar.ColumbusState.edu/fees.php> for current tuition and fees.

Regardless of where you live, Columbus State University is dedicated to facilitating your admissions process with a personal touch. We continually strive to make our Georgia WebMBA™ students feel a part of our thriving campus through close communication with dedicated staff and faculty who are committed to their success. This is the ideal program for the career-minded professional on the go.

Accreditation

Make sure you're considered one in a million to employers.

The Turner College of Business's degree programs are professionally accredited through The Association to Advance Collegiate Schools of Business. As an accredited member of AACSB International, our college offers business programs that achieve their distinction for high quality through an interdisciplinary curriculum providing students with a broad understanding of business and its role in society.

As an AACSB International-accredited school:

- We are recognized worldwide by top employers and other universities.
- Our graduates receive higher, more competitive salaries.
- The quality of our business programs is improved.
- We are able to hire and retain the best professors and researchers.
- Our students have high graduating GPAs and are likely to earn higher levels of education.
- Our business programs are challenging and will teach you the best skills that will give you a distinct advantage in the real world.

Hours 30

Admissions Requirements

All applicants seeking admission to one of the Turner College of Business graduate degree programs must submit the following:

- A graduate application, available online or in paper, with application fee.
- An official baccalaureate degree transcript from an accredited institution.
- Graduate Management Admission Test (GMAT) scores; students may also submit Graduate Record Exam (GRE) scores. Only scores within the past five years will be accepted.
 - **GMAT school code:** R64-XW-20
 - **GRE school code:** 5123
- Three recommendation letters from professional sources such as current or former employers, faculty, and business associates are required. Please use the recommendation form provided.
- A current resume.

To apply online, go to www.ColumbusState.edu/admissions/grad.

Prerequisite Core

A student's undergraduate background is evaluated upon entry to The Georgia WebMBA™ program. Students who do not have an undergraduate degree in business may need to satisfy prerequisite requirements in accounting, finance and quantitative analysis. The Georgia WebMBA™ offers accelerated computer-based, self-paced modules that meet these requirements. Applicants and accepted students work closely with a graduate faculty/staff member to complete modules by orientation.

Orientation

There are no campus visits required during the program except for a two-day orientation offered in Atlanta, GA at the beginning of Fall and Spring semesters. The orientation fee is \$700. It is required for this fee to be paid prior to attending the orientation.*

*Fees are subject to change.
